

Zen-mee-Leaf

Comfort-creating Acoustic Interior Material

Thank you for choosing Zen-mee-Leaf.

It is an acoustic interior material made from recycled fibers originally used in automobiles, utilizing Japan's advanced sound-insulation technology.

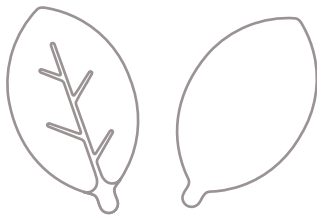

Developed by acoustic professionals, Zen-mee-Leaf brings calm and comfort to your daily living space.

HOW TO USE

How to apply Zen-mee-Leaf

FRONT

BACK

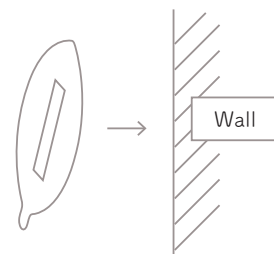

1. Attach double-sided tape to the back of the leaf.

Press firmly to make sure it sticks smoothly.

2. Apply the product to any wall area you like.

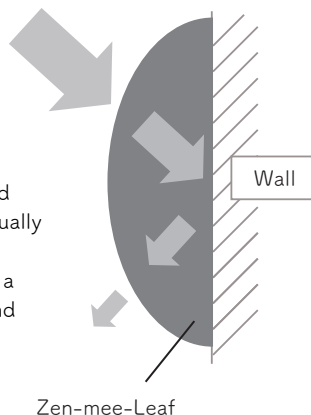

Since the double-sided tape is very strong, removing the product may damage the wall surface.
To prevent damage, we recommend applying masking tape or another protective layer before attaching the product.

EFFECTIVENESS

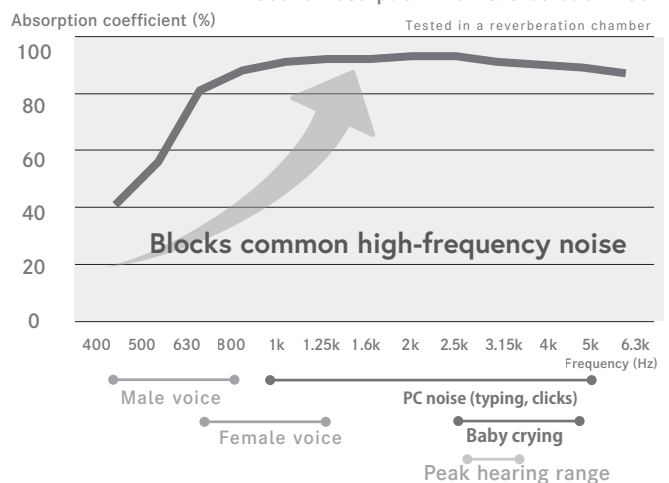

Zen-mee-Leaf is most effective for everyday sounds.

How Sound Is Absorbed

When sound enters Zen-mee-Leaf, it is absorbed inside the material and gradually decreases in strength. By attaching this product to a wall, it efficiently absorbs and reduces unwanted sound.

Sound Absorption in a Reverberation Room

Safety Instructions

Before using this product, please read this “Safety Instructions” section and the “Instruction Manual” carefully to ensure correct and safe use. After reading, keep this manual in a safe place for future reference.

Please read all instructions carefully and follow them strictly.

To ensure safe and proper use of the product, precautions are classified into two categories: WARNING and CAUTION. The meanings of these symbols are as follows.

WARNING

Indicates a potentially hazardous situation which, if not avoided, could result in death or serious injury.

CAUTION

Indicates a potentially hazardous situation which, if not avoided, may result in minor or moderate injury, or property damage.

Indicates prohibited actions.

Indicates actions requiring caution.

WARNING

- ⊘ Keep away from fire or heat sources. Doing so may cause deformation or damage.
- ⊘ Use only on a stable, flat surface. Avoid unstable locations to prevent falling or tipping over.

CAUTION

- ⊘ Keep out of reach of small children and pets.
- ⊘ Do not throw, swing, or apply excessive force. Strong impact may cause breakage or deformation.
- ⊘ Stop using the product if it becomes damaged or deformed.
- ⊘ The manufacturer is not responsible for any accidents, injuries, or damage caused by improper use.
- ⊘ Use only for its intended purpose.
- ⊘ Avoid using in humid areas or where it may get wet.
- ⊘ Keep away from high temperatures, humidity, and direct sunlight. If the product gets wet, wipe it with a dry cloth and let it dry completely.
- ⊘ If dirty, gently wipe with a soft, dry cloth.
- ⊘ Due to the nature of the material, discoloration or changes may occur over time with use.
